Money donated this year

£1000 to improve the Early Years outside area – this was mainly taken from funds raised in 2016/17. The 2015/16 funds had been requested for this purpose but then the school requested that it was instead spend on a new set of Early Years reading books. So this year the funds would go towards the outside area.

There is a possible request for £1000 for Maths resources but this has not reached us yet.
