KS1 Survival and Adventure Day

Dear Parents/Carers,

We are very excited to announce that we have organised for Key Stage One to have an **outdoor adventure day**, run by professionals from The Wiltshire Outdoor Learning Team. This is part of our Explorers and Adventurers topic and will provide the children with a wide range of experiences. As the team are able to run this on our school site, it will replace our trip this year and save on travel costs.

Date: Friday 18th May 2018

Time: Normal school day

Location: School site

Voluntary cost: £11.00

Please make your payment of £11.00 via Parent Pay and tick payer consent by **Friday 11th May 2018**.

(Please note that although this cost is voluntary, we will need to cancel the event if donations are insufficient).

The range of activities will involve:

- climbing wall
- archery
- basic bush craft and survival skills
- team building
- navigation

On the day, the children will need to wear **old, comfortable clothes and footwear appropriate for physical activity** and that may get very dirty.

If you are available to volunteer your time to help for the morning or afternoon, please contact one of the team.

Please complete the attached consent to give your child permission to take part. A hard copy has been sent home with your child today

For more information about the company, please visit <http://www.wolt.org.uk/>. The staff are all highly trained and all activities will be entirely safe. There is a range of fun activities throughout the day and all children will have the chance to take part in everything, however, no child will need to take part in something they are uncomfortable with. Please do not hesitate to contact us if you have any queries. Thank you for your continued support.

Yours sincerely,

KS1 Team

Please complete the attached consent to give your child permission to take part and the slip below permitting the school to share this data with the WOLT team.

Third Party Data Sharing

Please be advised that by completing the consent form means that you are consenting for data to be shared with the WOLT team: Name of child, Date of birth, any medical information and other special needs and parental contact information.

Under the General Data Protection Regulations you have the right to object for this information to be passed onto WOLT, however if you decide not to give permission, it will not be possible for your child to undertake the activity.
