

Midsomer Norton Primary School

Head teacher: Mr Alun Randell

Dear Parents & Carers,

Another term has flown by! Please remember that tomorrow is an INSET day and then, of course, it is half-term. We look forward to seeing the children (and adults) refreshed and ready to learn on Monday 6th June. We have lots of exciting events planned!

Football fans will be aware that the European Championships begin in June. To mark the occasion, we will be holding a European Geography House Quiz on 16th June coupled with the opportunity to watch the first half of the England-Wales match at 2:00pm. Children who wish to stay (with parental permission) after school to watch the second half of the match will be welcome to do so. As a half-welsh Geordie, I have not yet decided which side I will be supporting!

Den Day

You should have received a letter last week about Den Day on Friday 10th June (Thursday 9th June for Reception). Any help with donations of sticks and materials would be appreciated so that the children can be as creative and ambitious as possible. Please send materials into school anytime from the first day back next term.

Maths Week

During the week Monday 27th June -Friday 1st July, we will be holding a maths week. Mrs Ross, our Maths Coordinator, is busily planning a range of exciting learning opportunities for the children.

Online payments

As we said in previous newsletters, we plan to go 'cashless' from September. If you have not already signed up to the School Gateway please take some time to set up your login and let us know in the office if you have any problems.

We would be grateful if you could make payments online during term 6 so that we can iron out any issues before September

School Car Park

Please remember that the school car park is for **staff use only**.

Unless you need to use the disabled spaces due a specific need for your child or otherwise agreed, no parents should be dropping off/picking up/parking in the car park.

We will be monitoring the situation over the next few weeks and asking people to move their vehicles if necessary.

Thank you in advance for your co-operation

Sainsbury Loading Bay

We had an incident on recently when a lorry was delayed because of cars parked in Sainsbury loading bay. Please DO NOT park there as we do have a very good relationship with them and would not wish to spoil this. Thank you.

team won their three group games before getting knocked out in the quarter-final and the other reached the semi-final of the plate competition. All the children encouraged each other and enjoyed themselves immensely.

There will be no Cricket or Rounders Club on the first Monday back after half-term. (6th June) as Mrs Bullock and Mrs Green are out at the B&NES Netball Finals that day

Sports Day

Sports Day will be held on Monday 20th June with a reserve day of 4th July in the event of poor weather.

Playground markings

In last week's newsletter I was delighted to report that our Champions for Change negotiated a discount with the supplier they have chosen for the playground markings. They did, however, still need to raise some more funds for the installation. They met this week with a PSG representative to present their case and were successful! Well done to them all especially Daniel Holliwel who demonstrated that he would be a natural on Dragon's Den! We hope to have the work completed before the end of T6

Have a lovely holiday,
