

Midsomer Norton Primary School

Head teacher: Mr Alun Randell

Dear Parents/ Carers,

Wellies!

This year we will be keeping our field open year round during play times and lunch times. Children report that they much prefer their breaks when the field is open as they have sufficient space to spread out. Obviously, during the wet winter months the field can get pretty muddy so children who want to play on the field will need to bring in a pair of wellies or old trainers in a **clearly named** carrier bag or drawstring bag. The children will be able to get changed into their wellies in our performance area and hang their school shoes in their bag from our new pegs before getting changed again at the end of play. Please start sending in your child's wellies or old trainers from next week... but please remember that named bag!

Parents Evenings

If you have not yet booked a parents' evening appointment for Monday or Thursday next week, it is not too late to do so. Instructions can be found on our website under the [letters home](#) section.

Sports news

Congratulations to our netball team who won their first match in the knock out cup beating Paulton Juniors 19 – 8.

Diamond Power

As mentioned in last week's newsletter, our children have been working on being independent and have collectively earned so much 'diamond power' that they will receive the top prize - a class movie next week. Well done everybody!

Monster Ball

Next Friday evening, the PSG will hold the Monster Ball. Ticket requests closed today. Many thanks in advance to the PSG. Over the past twelve months the PSG has donated vital funds to the including school £1,600 for readers and £2,000 for equipment for the Early Years outdoors area.

Access to the school building before and after school.

It is important that we carefully manage access to the school at the beginning and end of the day. Parents and carers should always access the school via the main office and sign in. Parents often seek access to find lost property; however, this presents a safe guarding risk as we need to know which adults are in school. Please do not enter the school to help your child look for lost items without checking in with the office. We will make sure all **named** property is returned every Friday afternoon. Any unnamed property will be laid out in the hall on the last Friday of each term for collection. Unclaimed property will then be donated to charity. Much of our lost property mountain
