

Midsomer Norton Primary School

Acting Head teacher: Ms Sarah Biss BA (Hons)

Dear Parents & Carers,

We hope you like the new-look newsletter! We want to keep you fully informed with what's going on in our school so you don't miss anything! The noticeboard in the top playground will have the weekly newsletters, lists of clubs, term dates and any other relevant information updated regularly. If there is any information relevant to our school community you would like to display please let the office know. It's been great coming out into the playground at the beginning and end of the day. Please do catch me if you'd like to talk to me about anything... I'm happy to have a chat! SB

Some parents have asked about music lessons in school. We are currently looking into music provision and will update you with information shortly.

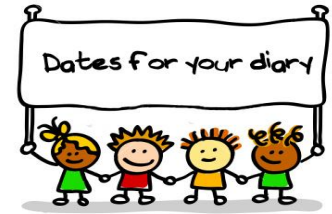

Don't Flush It, Bin It!

Gillian Smith from Wessex Water visited Key stage 1 & 2 for an assembly this week to teach the children the importance of what we **shouldn't** put down our loo! It was a very lively assembly as you can imagine but the message was clear... things such as paper towels, wet wipes, cotton buds etc cause blockages and problems at home and at school. **ONLY toilet paper and human waste** should be flushed down the toilet. Please remind your children of this if you see anything other than the above going down the toilet.
