15th January 2016

Dear Parents/Carers

Free School Meal!

You will have read in a recent newsletter that we asked B&NES Catering Services to change the production kitchen for our school meals to improve the quality and choice that is on offer to the children. We feel that there have been some very positive changes and improvements already and to celebrate this we would like to invite all children to try a school meal for **free** on Thursday 21st January 2016.

The school meal on this day will be 'Bangers & Mash' served with baked beans, freshly cooked bread and sponge and custard. Fresh fruit and yoghurt will also be available for dessert.

We would however ask for a **£1.00 donation** for the meal which will be donated to the school charity that our Champions for Change will be nominating.

As part of this celebration the children will also have the chance to have lunch with their Teachers, TAs, Mr Randall and Ms Biss on Thursday.

We really hope that as many children as possible take the opportunity to give school meals a try. Please complete the slip below if your child would like a meal and return to school by Tuesday 19th January.

Yours sincerely

Alun Randell
