Dear Parents/Carers

I am writing to advise you that there will be an increase in the cost of school meals from 1st September 2017.

Unfortunately due to the increase in the cost of producing meals and changes to the way in which we are charged for meals produced by B&NES Catering Service we must increase the price to £2.40 per meal. I would note that this is not in fact the full cost we will be charged by B&NES but felt that passing on the full cost in one price rise would be too steep of an increase at a time when many families are finding their finances are stretched.

We hope that with the increased quality of meals that we have sought to provide recently you will still view school meals as good value for money in providing a healthy balanced meal for your child(ren).

If you have any questions or concerns regarding this matter please do not hesitate to contact the school.

Yours sincerely

Alun Randell
