Dear Parents/Carers

## Severe Weather School Closure

As you are no doubt aware the weather forecast for the next few days is predicting some very cold weather and possible snow.

In the event of severe weather we will endeavour to keep the school open whenever possible. However in making a decision to close the school I must take into account a number of factors including the safety of the children accessing the school site, the numbers of staff who are able to reach/remain in school to supervise the children and the safety of school staff, many of whom, travel from further afield.

Should the decision be made to close the school either fully or partially we will contact parents/carers at the earliest opportunity via text message and email. We will also post details on the B&NES Council website

In the meantime, whilst the children are in school during this cold spell please can I ask that you ensure they come to school with plenty of warm clothing for outdoor play.

Yours sincerely

Alun Randell  
Head Teacher
